Solicitation of Research Funds

Last Updated:
04/04/1984

Effective Date:
02/03/1984

Policy Number:
07.00.04

Policy Statement:

1. Contracts and grants with federal, state, or local governments will be entered into directly by the University of Oregon.

2. Contacts for research with corporations and other non-governmental agencies will be entered into directly by the University of Oregon.

3. Gifts and grants for research from corporations and other non-governmental agencies may be received by the UO foundation of the University. When approval is requested, conditions will obtain:
   a. The grant proposal has been reviewed through the regular prescribed University procedures;
   b. The grant document has been reviewed by the University and the University indicates it could and would be willing to accept the funds for the purposes intended. Criteria involved would include restrictiveness of grant conditions such as patents, publications, and method of payment;
   c. Acceptance would clearly be to the University's and Foundation's mutual benefit; and
   d. It is clearly the desire of the donor for appropriate reasons to make the grant to the Foundation.

4. Unrestricted gifts for research purposes may be solicited in accordance with guidelines in Prospect Clearance Procedures.

[This policy statement was jointly issued with the policy statement "Facility Improvements Financed from Donations".]
Reason for Policy:
To describe the relationship of the University of Oregon Foundation to the University of Oregon solicitation of funds for research purposes.
