A University Policy ("Policy") is a policy that (1) has broad application or impact throughout the University community, (2) must be implemented to ensure compliance with state or federal law, (3) is necessary to enhance the University's mission, to ensure institutional consistency and operational efficiency, or to mitigate institutional risks; or (4) is otherwise designated by the Board or the President as a University Policy subject to the Policy- Making Process authorized in section 4. A policy establishes rights, requirements or responsibilities. Excluded from this definition are things such as, but not limited to, implementation guides, operating guidelines, internal procedures, and similar management controls and tools.

Policy Subject Matter (please included existing policy number(s) if available)

Former OAR 571.050.0011 (Articles, Activities Prohibited at Athletic Facilities)

Statement of Need and Desired Result (please describe what we accomplish with the proposed action)

Revisions needed to update this former (and outdated) OAR for additional prohibited items, updated security protocols, and new facilities brought on line since the last approval (e.g., Matthew Knight Arena, Jane Sanders). These revisions were provided by Athletics and reviewed by General Counsel.

Affected Policy Stakeholders (please list all known impacted stakeholders and the nature of those impacts)

None - although the policy affects those attending events at athletic facilities, impacts are actually negligible because proposed redlines simply bring the policy into alignment with current practice.

(34) University employees, contractors, or agents may request, as a condition of the license to enter the University's athletic facilities, that persons about to enter allow inspections of all backpacks, briefcases, suitcases, athletic bags, packages, duffle bags, coolers, ice chests, picnic baskets, and other containers capable of concealing prohibited articles:

(a) Inspections under this section shall occur outside the facility's ticket gate or entrance. Persons possessing containers subject to inspection shall be informed that they are free to decline the inspection and may receive a refund of the price of the ticket upon surrender of their ticket, if any. In the alternative, the person may discard the container or prohibited items in the container or return them to a vehicle without inspection and then enter the facility without such items;

(b) Personnel making inspection requests are not obliged to cause entering spectators to wait in line while other inspections are occurring. Such personnel must, however, request to inspect the containers of the next person who appears to possess containers subject to inspection as soon as they have completed any given inspection;

(c) Signs ~~with lettering no smaller than two inches high~~ shall be prominently displayed at each entrance to University facilities that serves as a site for intercollegiate athletic competition. The signs shall generally describe prohibited articles, explain the potential request for inspection and the right-to-decline options, including refund, if there is a cost for admission. (45) A person discovered during an inspection to possess a prohibited article(s) shall be offered the choice of discarding the article(s) in a public trash receptacle or of returning the prohibited article(s) to a vehicle or otherwise legally disposing of it.

(56) If a person already inside the facility possesses a prohibited article, that person shall be considered to have violated the license to enter and view the event. The person's license is automatically revoked and the person shall be requested to leave immediately. A person who does not leave following such a request may be treated as a trespasser.

(67) If a person requests a refund under the provisions of Section (3)(a) of this policy, University officials shall sign a bearer coupon and shall deliver it within a reasonable time to the person requesting the refund. Such a coupon shall not name the person possessing the prohibited articles, but it shall specify the location, price and date. This bearer coupon along with the unused ticket must be turned in at (or mailed to) the University Athletic Department's ticket

office for a refund within 30 days. Service and other charges in excess of the admission price are non-refundable.

~~(78)~~ Persons entering a facility, as a condition of the license to enter, may be subject to search by electronic wand regardless of whether they are carrying any of the above-mentioned containers.

(9) At the request of the event promoter or management, and when deemed a reasonably necessary precaution by the University's Chief of Police, persons may be subject to searches using metal detectors or pat downs.
