

RECOMMENDATION

REPEAL- This is an OUS Board policy governing its member universities' criteria for entering into business agreements. As OUS no longer exists, this policy should be repealed. The university has its own policies and criteria governing university business and business agreements, and has a process for establishing such policies and criteria.

ENTITIES AFFECTED BY THIS POLICY

Repealing this policy should have no effect on any UO entity.

ENACTMENT & REVISION HISTORY

Effective Date:
02/16/2001

POLICY TEXT

Consistent with OUS' commitment to the free flow of commerce and efficient business practices, OUS institutions shall not adopt limits on eligibility to enter business agreements or otherwise conduct business unless based on the ability to perform, evidence of illegal activities or other criteria required or allowed by statute or Board rule.
