POLICY

A. Purposes of Sabbatical Leave

Sabbatical leave is granted to faculty for purposes of research, writing, advanced study, travel undertaken for observation and study of conditions in our own or in other countries affecting the applicant's field or related scholarly or professional activities. Sabbatical leave is granted when it can be shown that the applicant is capable of using this period in a manner which will thereafter increase the applicant's effectiveness to the university and to the state. Only the Provost or designee can approve applications for sabbatical leave.~~Sabbatical leave is granted to unclassified employees having academic rank for purposes of research, writing, advanced study, travel undertaken for observation and study of conditions in our own or in other countries affecting the applicants field or related scholarly or professional activities. Sabbatical leave is a privilege and not a right. It is granted only when it can be shown that the applicant is capable of using this period in a~~

~~manner that will thereafter increase the applicant's effectiveness to the University and to the state.~~

B. Eligibility for Sabbatical Leave

(1) ~~A faculty member at .5 FTE or greater with the rank of Senior Instructor I or II, Senior Lecturer I or II, Associate Professor, Professor, Senior Research Assistant I or II, Senior Research Associate I or II, Associate Research Professor, Research Professor, Associate Librarian or Senior Librarian may be considered for sabbatical leave. An unclassified employee appointed at .5 FTE or more, with the rank of Senior Instructor, Assistant Professor, Associate Professor, Professor, Research Associate or Senior Research Associate may be considered for sabbatical leave:~~

(a) After having been continuously appointed without interruption by a sabbatical leave for 18 ~~academic~~ quarters (excluding Summer Session) or, in the case of 12-month faculty, 72 months; or

(b) After having accumulated the equivalent of 6.0 FTE ~~academic or fiscal~~ years over an indefinite period of 9-month or 12-month appointments uninterrupted by a sabbatical leave.

(c) Prior service at the ranks of Instructor, Lecturer or ~~Assistant Librarian,~~ Research Assistant, ~~Research Associate, or Assistant Research Professor~~ when leading to a promotion to a higher rank, may be considered ~~by the President~~ as part of the period of accumulated service for the purposes of the time requirement for sabbatical eligibility.

(2) A series of appointments shall be considered continuous whether or not interrupted by one or more authorized leaves of absence other than a sabbatical leave. ~~A one-year period of appointment at less than .5 FTE will count as a period of accumulated service for purposes of the time requirement for sabbatical eligibility.~~ An authorized leave of absence will not prejudice the staff member's eligibility for sabbatical leave. ~~Academic staff~~Faculty -members may be considered for subsequent sabbatical leaves after again satisfying the conditions specified in subsections (1)(a) or (b) of this section. Cases involving mixed terms of service may be adjusted by the ~~President~~Provost or ~~the President's~~ designee, in accordance with the principles set forth in this section. Funding contingent faculty members with an appointment in the Instructor, Lecturer, Research Assistant or Research Associate category are ineligible for sabbaticals pursuant to this policy.

(3) Applicants for a sabbatical leave must present a careful statement of plans for the leave period, and a justification of the leave in terms of the criteria stated above. The request must be accompanied by an official application form, a curriculum vitae, and a description of current teaching; scholarship; research and creative activity; service; and other professionally relevant activities.

(4) ~~For the University's~~institutional convenience, and at the initiative and sole discretion of the ~~University~~institution, a sabbatical leave may be delayed by up to two years. In such instances, the ~~academic staff~~faculty member will become eligible for a succeeding sabbatical leave after an equivalently reduced period of years. This section applies to a maximum of 14 consecutive

years, covering two possible sabbatical leaves. The same agreement may be ~~negotiated, again for the University's convenience, agreed to~~ in subsequent 14-year periods.

~~(4) Sabbatical leave privileges may be granted to unclassified employees in special positions of responsibility and trust, even though they do not hold academic rank. Eligibility for this class of employees will be determined in the manner described in Section B(1) of this policy. Recommendations for sabbatical leave for the above-referenced unclassified staff members not otherwise qualified may be made in exceptional cases only at the discretion of the President.~~

~~(5) For purposes of determining eligibility for sabbatical leave, time spent on an authorized military leave from the University shall be considered as University service.~~

~~(6)~~ Salary received by an academic staff/faculty member during a sabbatical shall be calculated as follows:

~~(a) Salary under subsection (1)(a) of this section shall be a percentage (determined by Sections F or G) of the academic staff member's annual rate multiplied by the average FTE at which the academic staff member was appointed during the 6.0 FTE years immediately prior to the sabbatical leave. The President shall have the authority and discretion to interpret special circumstances in this regard. For purposes of this subsection, eligibility years are the 18 academic quarters (excluding Summer Session) or in the case of 12-month faculty, 72 months of continuous employment at half-time or more that result in the academic staff member's eligibility for sabbatical leave under subsection (1)(a) of this section.~~ during sabbatical leave shall be a percentage determined under subsection 5 (b) or (c) of this policy of the faculty member's annual rate in effect at the time the sabbatical leave begins. The percentage is determined by multiplying the faculty member's base salary rate at the time of sabbatical leave by the average FTE at which the faculty member was appointed during the 6.0 FTE years immediately prior to the sabbatical leave.

~~(b) Salary under subsection (1)(b) of this section shall be a percentage (determined by Sections F or G) of the academic staff member's annual rate in effect at the time the sabbatical leave begins.~~

~~(c) If during the period of sabbatical leave the University allocates salary increases to its academic staff members, the annual rate of the academic staff member on sabbatical leave will be increased by the appropriate amount effective on the date that the salary increase was granted.~~ (b) For faculty on 9-month appointments, salary shall be:

- i. One academic year (three terms) on 60% salary determined under subsection 5(a);
