As part of the University of Oregon Policy development process, all new Policy proposals, as well as proposals for the revision or repeal of existing Policies, must be submitted via this form to the University Secretary (the policy custodian). The Secretary will forward completed concept forms to the President’s Policy Advisory Council for consideration pursuant to the University’s Policy on University Policies. Please remember:

*A Policy is “a high-level, broadly stated overall plan embracing general goals, principles and procedures of the university with intent to guide decisions, actions and other matters; characterized by defining ‘what’ needs to be done rather than ‘how’ to do it; a policy has the force of establishing rights, requirements and responsibilities.”*
